Please provide your vision and medical insurance cards

VISION INSURANCE VS MEDICAL INSURANCE

Vision insurance is used when you are seen for a *routine wellness eye exam* that includes a refractive exam to update glasses or contact lens prescriptions.

Medical insurance is used when you are seen for a *medical eye condition*. Some examples include **diabetes, glaucoma, cataracts, floaters, retinal detachment, or symptoms of dry, itchy, burning or red eyes.**

Based on your exam, we will bill the insurance that is appropriate for your visit. **Copay, coinsurance and deductibles** may apply.

_____ **(initial)** **I have read and understand the difference between vision and medical insurance. Any medical eye conditions that are evaluated or treated will be billed to medical insurance.**

ACKNOWLEDGEMENT OF RECEIPT OF PRIVACY NOTICE

The Health Insurance Portability and Accountability Act **(HIPPA)** is a federal law designated to protect the privacy of your health information. This office will only use and disclose necessary personal health information to permit the office to perform its administrative duties, provide eye care services, process insurance claims, and mail/email/text exam recalls.

FINANCIAL AGREEMENT

I understand that all benefits quoted to me are not a guarantee of payment by my insurance company/Medicare and the final determination can only be made when the claim is processed. It is my responsibility to provide my insurance information for billing purposes. I understand that billing any secondary insurance is my responsibility. A bank service fee of **$40** will be charged on any check returned for insufficient funds. Accounts 90 days or older will be submitted to a collection agency with a **30%** fee of the balance amount. I am aware exam fees are **NON-REFUNDABLE** after services have been provided. **If an appointment is not cancelled within 24 hours in advance, a service fee of $25 will be charged and will not be covered by insurance.**

GLASSES RECHECK POLICY

We will recheck any prescription at no cost **within 60 days** of the original date of service. Rechecks will not be performed after 60 days and a new exam will be required, additional fees apply.

CONTACT LENS EVALUATION FEE

The Fairness to Contact Lens Consumers Act requires all contact lens wearers to have a contact lens examination to evaluate the health of the eyes and the fit of the contacts on the cornea. This service is *in addition* to your refractive exam and is typically not covered by vision insurance. The evaluation fee covers all follow-up visits for **60 days**. THIS FEE IS DUE AT THE DATE OF YOUR SERVICE AND IS **NON-REFUNDABLE**.

_____ **YES**, I would like a Contact Lens Prescription and accept the responsibility of the Contact Lens Evaluation Fee.
_____ **NO**, I decline the Contact Lens Evaluation acknowledging that I will NOT be given a Contact Lens Prescription

I have read and acknowledge the Privacy Notice, Financial Agreement, Glasses Recheck, and Contact Lens Evaluation Fee.
I consent to digital delivery of my prescription. By signing below, I agree to these terms and my responsibilities as a patient.
